

CV of Keon W. Kang in ICRP Committee 3 for the 2013-2017 Term

Keon Wook Kang, M.D., Ph.D.

Korea, Republic of

Professor, Department of Nuclear Medicine, Seoul National University
College of Medicine

Tel: +82-2-2072-2803, Mobile: +82-10-9096-1927

email: kangkw@snu.ac.kr

Dr. Keon W. Kang, a nuclear medicine physician, is Professor, Department of Nuclear Medicine, Seoul National University College of Medicine (SNUMC) (2007-). He was born in Taegu, Korea (1966). He received M.D. degree (1991) and Ph.D. (2001) from SNUMC. He got involved in setting up "National System of Medical Assistance for Radiation Emergencies" in Korea (1998). He has worked as Chief, Department of Nuclear Medicine and Radiation Safety Officer, National Cancer Center, Korea (2000-2007). After Fukushima accident, he actively engaged in risk communication for health effects of radiation by interviewing with TV and newspapers (2011-). He carried out a project "Building information for promoting communication in biological effects of radiation" sponsored by Nuclear Safety and Security Commission as a principle investigator and published a book for general public "Are you afraid of radiation? (in Korean)" (2012). He is an expert in nuclear medical imaging and therapy as well as radiation safety. His research areas are in vivo molecular imaging and therapy of cancer using PET & nanoparticles.

Positions and Employment

- 2000-2006 Chief, Department of Nuclear Medicine, National Cancer Center, Korea
- 2003-2004 Visiting Scientist, Molecular Imaging Program at Stanford University, Stanford, CA, USA
- 2007- Executive Vice Director, Cancer Research Institute, Seoul National University, Korea
- 2007- Professor, Nuclear Medicine, Seoul National University College of Medicine, Korea
- 2009- Radiation Safety Officer, Seoul National University Hospital. Korea

Other Experiences

- 1997- Board Member, the Korean Society of Nuclear Medicine
- 1998.11 Handling of Radiation Accidents by Emergency Personnel, REAC/TS, Oak Ridge, TN, USA
- 2000.2 IAEA Regional Training Workshop on Sentinel Lymph Node Detection, Jakarta, Indonesia
- 2000- Member, the Society of Nuclear Medicine
- 2005- Member, the European Association of Nuclear Medicine
- 2005-2006 Oncology PET Track Coordinator, 9th World Congress of Nuclear Medicine and Biology
- 2006-2007 Secretary General, Organizing Committee, Asian Regional Cooperative Council for Nuclear Medicine
- 2010-2011 Member, Committee for International Cooperation, Korea Radioisotope Association
- 2011- Board Member, Korean Association for Radiation Protection

- 2011- Member Coordinator, Special Committee for Medical Applications, World Council on Isotopes
- 2011- Coordinator, the Asia-Oceania Network of Radioisotope
- 2012- Member, Committee for Assessment of Accident Level, Nuclear Safety and Security Commission, Korea
- 2012.5 Invited Speaker for Asian Perspectives at Plenary Session on "The System of Protection: Future Challenges" IRPA13, Glasgow, UK
- 2012- Board Member, Korea Radiation Safety Foundation
