Date: 22 October

Guests: 300 pax

If you are a lover of adventure and the outdoors and never want to miss out on a superb experience, then the Evening Desert Dinner (ICRP awards banquet) is the best option for this as here you will experience desert dunes, beautiful henna painting as well as a delicious desert dinner waiting for you on this trip!

Spend an evening with us at the ICRP Awards Banquet, where your tour will take you to the high dunes and sandy skyline outside of Abu Dhabi.

You will be collected from the hotel in 4WD cars where your trip starts with dune bashing, or if you prefer a gentler arrival for dinner we would provide a transfer to the desert dinner location by coach – there is however a short trip across the dunes by 4WD to reach the dinner location.

During this dune drive you stop on some wonderful locations to take pictures of golden scenery. On arrival you get a chance to take a camel ride, or can make sketches/designs on your hands with henna.

If you require more excitement you can also enjoy a sand boarding experience. The thrill doesn't end here, at night you will be served with a B.B.Q Dinner and local performers will entertain you.
