

## **ICRP Main Commission Elects Kimberly E Applegate as Chair of Committee 3**

On the first day of ICRP's Main Commission meeting in Paris, France, the Commission elected Kimberly E Applegate MD MS FACR to the vacant position of Chair of Committee 3 for the current term (2017-2021).

Dr. Applegate currently resides in Lexington, Kentucky, serving as a Professor with tenure of Radiology and Pediatrics at the University of Kentucky College of Medicine. In addition to her duties at the University, she also has many clinical and administrative appointments at institutions such as Kentucky Children's Hospital (KCH) and the Good Samaritan Hospital.

Kimberly also is a member of the Image Gently Alliance's Steering Committee, which is a coalition of greater than health care organisations dedicated to providing safe, high quality pediatric imaging worldwide. The primary objective of the Image Gently Alliance is, through advocacy, to improve safe and effective imaging care of children worldwide.

As the governing body of ICRP, the Main Commission is delighted to welcome Kimberly as a trustee.
