

# 2024 - 2028 STRATEGIC PRIORITIES

The logo for the International Commission on Radiological Protection (ICRP) is displayed in a large, bold, white, sans-serif font. The letters are thick and closely spaced, with a modern, clean aesthetic. The logo is set against a dark blue circular background that is part of a larger graphic design featuring overlapping circles in various shades of blue and orange.

**International Commission  
on Radiological Protection**

**Guiding Radiological  
Protection Since 1928**

The ICRP logo is displayed in a bold, blue, sans-serif font. Below it, the full name 'International Commission on Radiological Protection' is written in a smaller, blue, sans-serif font. To the right of the text, there is a decorative graphic consisting of a large blue circle, a smaller orange circle, and a light blue arc that overlaps both circles.

## **ICRP DEVELOPS THE SYSTEM OF RADIOLOGICAL PROTECTION FOR THE PUBLIC BENEFIT.**

The System takes account of the latest scientific knowledge, ethical values, and practical experience.

It is the foundation for an appropriate level of protection for people and the environment against the harmful effects of radiation exposure without unduly limiting the benefits of activities involving radiation, and is the basis of standards, legislation, guidance, programs, and practice worldwide.

# STRATEGIC PRIORITIES

**Keep the System  
of Radiological  
Protection Fit  
for Purpose**

**Strengthen  
Engagement with  
Professionals,  
Policy Makers,  
and the Public**

**Ensure ICRP  
Continues to Operate  
as a Well-Governed  
and Forward-Looking  
Organisation**

# KEEP THE SYSTEM OF RADIOLOGICAL PROTECTION FIT FOR PURPOSE

## Key Actions

Regularly evaluate:

- Advances in science and society
- Technological developments
- Emerging domains needing radiological protection guidance

Identify and encourage research to support radiological protection

Review the System of Radiological Protection, working towards an update of the General Recommendations

# STRENGTHEN ENGAGEMENT WITH PROFESSIONALS, POLICY MAKERS, AND THE PUBLIC

## Key Actions

Work with stakeholders, especially in the review of the System of Radiological Protection, through ICRP symposia, open workshops, and consultation

Engage with patients, workers, and the general public using ICRPÆDIA, social media, and other means

Increase outreach worldwide focusing on:

- Education and training
  - Affected populations
  - Under-served regions of the world
- 

# **ENSURE ICRP CONTINUES TO OPERATE AS A WELL-GOVERNED AND FORWARD-LOOKING ORGANISATION**

## **Key Actions**

Involve young professionals in ICRP activities, e.g., through mentorship

Preserve integrity, independence, and stability

Contribute to global sustainability through ICRP operations and the System of Radiological Protection

# **ICRP**

**Consists of approximately 350 members from around 50 countries drawn from all disciplines relevant to radiological protection**

**Is a Charitable Incorporated Organisation registered with the Charity Commission of England and Wales**

**Adheres to a Code of Ethics highlighting public benefit, independence, impartiality, transparency, and accountability**

**Is governed by the Main Commission, managed by the Scientific Secretariat, and organised into four standing Committees and a series of Task Groups**
